Everyone is welcome at West End! We seek to be the loving light of Christ in Nashville and beyond. We gather as the people of God with a wide range of religious backgrounds, education levels, political and theological perspectives, and we value that diversity. We welcome and celebrate the gifts God has given to all without regard to gender identity, race, sexual orientation, economic or family status, ethnicity, or mental or physical ability. We believe God loves everyone unconditionally!

Today's Music: Rev. F. Pratt Green, author of "Christ Is the World's Light," is one of the best-known of contemporary hymnwriters in the world. His writings appear in practically every new hymnal and "hymn supplement" wherever English is spoken and sung. Rev. Green was born in Liverpool, England, in 1903 and lived to the age of 97. Ordained in the British Methodist ministry, he had been a pastor and district superintendent in northern and southern England. He wrote hymns his entire life but began writing prolifically after retiring from regular ministry. In his obituary he is quoted as saying, "Singing hymns is such a dangerous activity...you get this glow which you can mistake for a religious experience."
